Transferor's statement

I certify that this off-market operation (in listed stocks) involves no change in economic ownership. I state that I will be receiving an amount in compensation from the assignee. I the undersigned, the transferor, give instructions to Desjardins Securities to conduct an off-market operation in the securities mentioned below. I assume all responsibilities related to this statement.

Description of the transfer

Establishing the price of an off-market operation: The price of an off-market operation in listed securities is established between the highest and lowest execution price on the day corresponding to the date of signing of this form by the client. If this form is signed outside a working day, the price is established based on the closing price on the working day preceding the date of signing by the client.

Description of the securities	Quantity	Share price	Total price (Quantity X Share price)	For Desjardins Securities only	
				IBM No.	Commission*

*A commission is charged on the transaction, and a trade confirmation is sent to the client.

Type of transfert

- Between an individual and his or her solely owned company (attach the Registre des entreprises du Québec (REQ)).
- Between two companies with the same shareholders and in the same proportions (attach REQ, V262, V239 (Full Services Brokerage); D262, D239 (Desjardins Online Brokerage)).

Additional information

Is this an isolated situation for the transferor?
